## Preamble

Maharashtra has large number of farmer promoted Community Based Organisations (CBOs) including Farmer Producer Organisations, Cluster Level Federations and Primary Agriculture Cooperative Societies. These Community Based Organisations are actively engaged in enhancing value accruals to its farmer member base by facilitating backward and forward linkages. There is a strong need to enhance and expand market access of CBOs and integrate them within the organised supply chain of Corporates, SMEs and Start-ups.

Government of Maharashtra intends to support development of inclusive and competitive agriculture value chains by facilitating promotion of Productive Partnerships between Community Based Organisation and Private Sector (Buyers) through its various ongoing and upcoming initiatives.

**About Buyer / Company /SME/ Startup :**The new venture, OrgaSatva Foods Pvt Ltd. is started with an initiative to Empower the farmers by right enumeration and Provide the Organic food to consumers at affordable rate. This will serve the objective of providing platform to farmers to market their farm produce and also spread the awareness about Organic food which is need of life to adopt the healthy life and to stay away from the lifestyle diseases. The promoters are Farmers themselves and genuinely want to uplift farmer's community by allowing them the right kind of platform to market their farm products. We have our brand - O S Organic and will supply Pulses, Cereals, fresh Vegetables and Fruits to the end users.

## Purpose of MoU

The purpose of this MOU is to establish a framework for cooperation between Community Based Organisations and **OrgaSatva Foods Private limited** to support and develop Productive Partnerships in Maharashtra which would help in development of long term, voluntary and commercial relationship that will help the participating partners to improve their competitiveness in terms of price, cost, productivity, quality and market access.

Party I and Party II intends to work on the below mentioned agri commodities
